Dear Mr Birrell

Thank you so much for your generous donation of £1,000 received by Secret World which will help hundreds of animals each year find their way back to the wild where they belong. It is a testament of our supporters and volunteers as to how much they care that made Secret World – and the animals we care for – the 'winner' of your recent Facebook competition.

I'm delighted to say that the money will be split 50/50 to be used to cover the veterinary health checks that are needed for our orphaned badger and fox cubs to ensure they continue to stay healthy through their rehabilitation with us over the next few months before being released at the end of the summer, and to purchase specialist milk feed for these cubs which they need as part of their weaning process. A badger cub can get through about 3 tins of this specialist milk during weaning which costs £40 a tin. We currently have 29 fox cubs and 8 badger cubs on site at the moment so this donation will be a huge help.

Secret World receives no government funding and relies on the generous donations we receive from our amazing supporters. Without your support, we would not be able to care for the sick, injured and orphaned wildlife, giving them live-saving treatment, specialist care and the best chance of being released back into the wild whenever possible.

Your support of wildlife in need is important to us and as such, we respect our relationship with you. Please stay in touch and thank you again for caring.

Yours sincerely,

Samantha Hannay
Head of External Relations
